### **Grand Terrace Councilmember Arrested**

San Bernardino, CA - Today investigators from the San Bernardino County District Attorney's Public Integrity Unit arrested Councilman Jim Miller of Grand Terrace on a warrant issued for Conflict of Interest, Government Code Section 1090, a felony. The allegations are that, over the last two years, Councilman Miller repeatedly voted for city expenditures that benefited a newspaper and printing business operated by Miller and his wife. Miller is also a San Bernardino County official with the Real Estate Services Department. The arrest occurred without incident and Miller was booked at the Central Detention Center. Judge Annemarie Pace issued the warrant and bail was set at \$25,000.
